

A DOLLAR'S WORTH OF DIFFERENCE

The Amanzi Dollar Fund is committed to helping Harare's disadvantaged and vulnerable children.

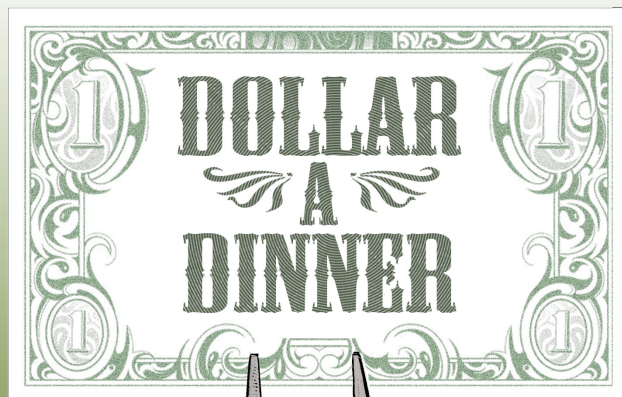

By adding just one dollar to your meal bill, a huge difference can be made.

The Amanzi Dollar Fund was established in 2010 and has continued to support worthy causes which assist children in need.

Our goal is to help generate funds which contribute entirely to our selected projects. We carefully oversee the money we raise to ensure it reaches the children that need it.

For details of completed projects and monies raised to date visit our Social Responsibility Page on our web site:

Please feel free to donate more if you wish.
 However, all donations are voluntary
 ~ if you choose not to, please ask your
 waiter to remove the dollar from your bill.
